

Reservations

We accept reservations and we always maintain some space for walk-ins. We do not reserve specific tables, or areas of the restaurant, if your party requires specific seating please call the restaurant rather than making a reservation on line.

Reservations are available by phone (**206-342-1530**) or online through Open Table. **We kindly ask that you not leave reservation messages over voicemail or email.**

Large Parties

San Fermo has a number of small tables. Once we fill, it can be difficult to create seating for larger groups. Please call the restaurant or send an email through our website if you are planning a party of six or more.
